## Essential Tips for Your Cycling Journey

### Cycling Safety Guidelines

- Always ride on the left side of the road. Stay within your lane.
- Always check for safety at intersections. Follow all traffic signals and stop signs.
- Always use lights after dark.
- Riding under the influence is strictly prohibited.
- Please wear a helmet.
- Control your speed on downhill sections.
- Riding bicycles side by side is strictly prohibited.

### Follow the Blue Line and stay on the left side of the road!

The "Blue Line" is a navigational aid painted along the roads of the Shimanami Kaido. With arrows and distance markers throughout, following this line ensures you won't get lost at turns. It is a dependable guide that allows even first-timers to enjoy a worry-free 70km cycling journey.

### A Welcoming Rest Stop Cycle Oasis

These hospitality spots provide bike stands, air pumps, and restrooms, while offering a chance to interact with the local community.
